4. Within 14 days of the appeal, the Vice-Rector for Teaching and Student Affairs shall:

Moving out

§ 40

1. Residents shall move out on the day their SH place allocation expires, or on the day determined in line with § 32 and § 33.
2. The resident may move out on their own initiative before the planned moving-out date referred to in section 1, provided that they state their planned moving-out date at least three working days in advance.
3. At the request of the authority in charge of place allocation, SH Administration shall carry out the moving-out procedure also for those residents who lost their right to the place at an SH due to their removal from the list of students or PhD students, dean's leave, or their break from studies or education at the PhD School.
- 3a. Persons removed from the student list or those who obtained the graduate Master's degree before the expiry of their SH Room Usage Agreement shall inform SH Administration of this fact. The loss of student status constitutes grounds for termination of the agreement referred to in the previous sentence or, if the person wishes to continue using the place in an SH room, it will require execution of an annex to the Agreement and a change to fee payment conditions compared to the rules specified in § 29 (the fee will be subject to 8% VAT).

§ 41

Before the resident moves out, SH Administration shall inspect the room to check whether all furnishings have been left in the room and are in good technical condition. Inspections shall take place in the presence of at least one resident, and the findings shall be recorded in a report. The report shall include any potential reservations or explanations of the resident or a person authorised by them. If room furnishings are found to be missing or destroyed, the residents shall be subject to financial liability and shall settle the amounts due when moving out.

§ 42

When moving out, the residents shall:

- 1) return the equipment they were provided with;

- 2) leave the room clean and orderly;
- 3) settle the outstanding payments;
- 4) return the keys;
- 5) return the resident card.

§ 43

After the resident moves out, the Head of SHO or a person authorised by them shall immediately prepare the settlement for the deposit referred to in § 13.

§ 44

Rules on moving out not regulated herein shall be determined by the Chancellor upon consultation with authorities in charge of place allocation.

§ 45

If the resident wishes to remain at the SH for the holiday period, they shall inform SH Administration of this fact by the end of May of the given academic year at the latest, making a relevant entry at the SH reception desk. SH Administration shall issue a decision in this matter immediately upon receiving information on any renovations and SH usage rules in the holiday period. Failure to declare the wish to stay at the facility for the holiday period by the deadline specified above shall be tantamount to the lack of booking for the place at the SH for the holiday period.

Chapter 8a

Holiday period

§ 45a

1. During the holiday period, i.e. from 1 July to the 8th day before the commencement of the academic year, the provisions of § 2, § 3(1), § 6-17, § 27-30, § 37-43, and § 45 shall not apply.
2. Within the period referred to in Section 1, SGH students and PhD students shall have the priority right to use the rooms at the SH.
3. If not all rooms are occupied by SGH students and PhD students, vacancies shall be allocated to persons unaffiliated with SGH, whereas the rooms may not be allocated for a period extending beyond the first Sunday of September in the given year.
4. Fees in respect of SH room usage shall be payable by the 5th day of the month of usage, in line with the relevant pricing list set by the Chancellor in a Regulation.

6. If the person using the SH room defaults with payment for the rental of the SH room for over two days after the deadline referred to in Section 4, they shall receive an eviction order, effective within three days.
